

Dinner in the Vineyard

A sensory dining experience in Oregon Wine Country;
blurring the distinction between design, vision and reality.

dc202 is comprised of ORANGEWALLstudios; Modern Organic Architecture; JHL Design; and Intelligent Design. These four design firms are located in Suite 202 of the Leftbank Project located at 240 N. Broadway. Design and development of modern and unique spaces is at the core of this collective. From foundation to furniture, we provide all facets of design to create beautiful environments. Sustainability is integral to our design objectives; we feel that taking care of the environment is one of the ways we can give back.
